92/1. This is the document title.

The General Assembly

Adopts the following outcome document of the United Nations sum-
mit for the adoption of the whatevethefuck:

This is the document title.

Preamble

This is supposed to be a short summary and outline of what the doc-
ument contains, usually includes the goal of the session, discussion,
debate, maybe some rough explanation of why it exists.

Because this is a one column table, newlines work as expected using
\, however, automatic indentation of new paragraphs and vertical
separation do not.
